ENLASO offers voice-to-text solutions, particularly transcription, real-time/offline closed captioning, and translation and subtitling services—with focus on accuracy, quality, and fast turnaround. We provide transcription and captioning services for customers in the following market segments: Healthcare/Medical, Education, Banking/Financial, Insurance, Energy/Utilities, Travel/Hospitality, Media/Entertainment, Legal/Law Enforcement, Telecom, Government, Retail, and Technology.

Transcripts in Any Language

- Verbatim transcriptions, with or without “filler” words
- Any audio or video format
- Time-stamping of script

Offline Captioning and Subtitling

- Addition of captions to any video format
- Subtitles available in all languages and character fonts

Real-Time Closed Captioning Services

- Live television broadcasts and Webcast captioning
- Captioning live classes, meetings, Webinars, podcasts, and trainings
- Real-time captioning available in both English and Spanish
- A vital resource if the audience includes individuals who are hearing impaired, have English as a second language, or tune in with the volume muted

Real-Time Transcripts

- A perfect solution when closed captioning isn't needed, but an instant rough transcript is required

Focus is on Dependability, Accuracy, and Fast Turnaround

- ENLASO's proven methodologies and specialized teams ensure that we deliver high-quality, effective results.

Confidentiality

ENLASO is equipped to handle confidential information, including data protected by HIPPA regulations. All of our transcriptionists have signed non-disclosure and confidentiality agreements. To further protect confidential information, all files are stored on a central server, and transcriptionists access the audio by connecting to the server. No files are transferred or downloaded between ENLASO and the transcriptionists.

Enterprise Language Partner

ENLASO is committed to exceeding customer expectations as your enterprise language partner. Long-term global success requires a dynamic language partner that establishes technical, organizational, and process standards early. Led by a flexible team of language professionals and localization consultants, ENLASO optimizes your localization capabilities and empowers you to develop your global markets.

Established and Experienced Language Service Provider

Established in 1968, ENLASO has been the premier language partner to global companies for over four decades. Scalable to your enterprise language needs, ENLASO has offices in Boulder, CO, and Boise, ID, as well as sales and production staff in the Midwest, and on the West and East Coasts.

ISO 9001 Certified Language Service Provider

ENLASO is an ISO 9001 certified language service provider with robust quality and customer service processes. With stringent processes at every organizational level and project milestone, ISO 9001 certification recognizes ENLASO's rigorous linguistic selection process, employee training, customer-focused account and project management, and customer service practices. In the eyes of international regulatory bodies, ENLASO's ISO 9001 certified processes are equivalent to having an in-house translation and localization department.
